WALK 'N' FORK //

Cocktail events should be all about conversation and moving about. A stand-up premier evening is pretty hard to enjoy balancing a ceramic plate on your head while sipping fine French bubbles in between applauses?!

Though it's a bit tongue and cheek, it's hard to argue that small bites held in one hand, with bubbles in the other, probably fit the bill fractionally better than a porcelain top hat of grilled sea-bass.

Our Walk 'N' Fork menus are perfect for an event where you want your guests to mingle.
